Dear Kris Mayes ,

I was in the process of writing to you about APS's requested rate increase when I read an article in the April 21 The Arizona Republic which stated that you had views similar to mine. Fantastic! I think I will state my views below.

1. APS is wasting its money [ours] on advertising. It is a monopoly.
2. Why are they wasting money on sports?
3. I think that is a fantastic idea of yours to have them take the bonuses they would have issued next year and put it in a rate-stabilization fund.

Good luck to you on the above.

Yours truly,

Neil Laurin
